Best Buy Benefit from Lantal's clearance initiative

Here in Langenthal, we're making room for the next generation of textiles that will be kept in stock for regular call-off orders. That means you can benefit from our clearance prices.

Lantal's bargain basement buys are airworthy textiles and leathers available off the shelf right now.

The selections include a wide range of patterns and colors for seat covers in polyester, standard wool blends; curtains in polyester; carpets in wool und polyester; leathers; bulkhead/wallcovering fabrics; and sewing thread. All fabrics and carpets are available only in rolls up to the indicated yardage. All articles can be reproduced if larger quantities are needed.

If you have any questions, need a quotation or additional product information or samples, or if you want to know how much of any given item remains available, please don't hesitate to contact us.

Please note that the colors shown may deviate slightly from the original fabrics.

All articles are subject to prior sales.
