

Carpets for trains Polyamide comfort printed

Key features

Lantal Polyamide comfort printed carpets have the following main advantages:

- **Individual design of the interior thanks to customer-specific print motifs**
- **High-quality velour carpet with noble optics and a dense, smooth surface which leads to a high walking comfort.**
- **Very good abrasion resistance and very long service life even under heavy wear conditions**
- **Sound absorbing and non-slipping compared to hard flooring**
- **Less dust generation compared to smooth flooring**
- **Easy cleaning**

Applications

Lantal Polyamide velours printed carpets are suitable for

- Passenger sections
- Dining and bar areas
