

## Ready-to-install products for buses

### Pleated curtains

#### Key advantages

Lantal pleated curtains offer the following advantages:

- **Easy installation because the pieces are delivered to fit**
- **The pleats retain their shape permanently**
- **Significantly simplified coordination**
- **Durable and cost-effective**
- **Durability thanks to the highest-quality craftsmanship**
- **Meet all applicable bus safety regulations**

#### Pleated curtains

Lantal pleated curtains are an attractive eye-catcher in the passenger compartment:

- The curtains are 100% polyester
- The pleats are heat-set to retain their shape even after numerous cleanings.
- Pleat size 7 cm, pleat spacing 9 cm; other sizes available upon request

- Lantal polyester curtains can be washed or dry-cleaned.
- For washing, the curtain must be folded along its pleats and placed in a mesh bag.

Contact us for more information about maintenance and installation.

#### Safety

Lantal products are flame-resistant and comply with the fire standards and requirements of UN-ECE-R118.01 and FMVSS 302.
