

## Carpets for buses Melvia Molto

### Key features

Lantal's Melvia Molto carpets have the following compelling advantages:

- **Extensive variability of interior designs thanks to customer-specific prints**
- **Endless repeat, no design and color restrictions**
- **Exceptional longevity even under heavy wear conditions thanks to the dense, robust structure (looped).**
- **Long-lasting good looks thanks to structured surface. The loops remain intact and virtually no pressure points occur**
- **Better noise abatement and anti-slip properties than hard flooring**

### Applications

Lantal's carpets are suitable for

- aisles
- under the seats
- entrances

### Specifications

#### Composition

The Melvia Molto carpet is made of 100% polyamide.

#### Manufacturing process

The process used to manufacture this carpet allows many design variations. The exclusive printing technique lets you almost leverage your creativity.

#### Colors and designs

Customer-specific designs for unique interiors that emphasize your brand and corporate identity. We would be delighted to advise and support you in the development of printable motifs.

#### Safety and standards

Melvia Molto complies with the standards and specifications UN-ECE-R118.01 / FMVSS 302 / DIN 5510-2.

#### Abrasion resistance

Melvia Molto carpets comply with all relevant wear and abrasion standards.

#### Lightfastness

Lantal Melvia Molto carpets are highly lightfast thanks to the innovative printing process and the use of man-made fibers.

#### Cleaning

With a vacuum cleaner or a spray extraction unit at up to 40°C.

#### Service life

Lantal products have particularly long service lives and still look like new even after extended periods of use.

### Turnkey solutions

#### Ready-made products

On request, Lantal can supply carpets that are ready to install. The carpets are accurately pre-cut by Lantal to precise measurements and shipped as instantly layable parts.

Other ready-made products by Lantal include seat covers and headrest covers.

#### Installation

Lantal offers customer-specific carpet installation solutions.
