

## Leather for buses and trains Artificial leather

### Key features

Lantal artificial leathers for buses and trains have the following compelling advantages:

- **Exceptional longevity and durability even under heavy usage conditions**
- **Oil-resistant, water- and perspiration-repelling**
- **Superb lightfastness for a long-lasting beautiful look**
- **Subtly textured surface that resembles the grain of genuine leather**
- **Fine, soft hand for enhanced seating comfort**
- **Easy to clean and maintain**

### Specifications

#### Composition

Lantal artificial leathers are composed of 81% PVC and 19% polyester.

#### Typical applications

Seat covers, headrest covers, antimacassars, armrests, piping

#### Colors

The Lantal product line covers a selection of 28 predefined colors that can be optimally combined with other materials. On request, customer-specific colors can be developed.

#### Design options

Lantal artificial leathers can also be embroidered with logos or other signature design elements. Artificial leather is easily adaptable to your brand and livery.

<b>Weight</b>	680 g/m2, tolerance $\pm 5\%$
<b>Width</b>	140 cm
<b>Roll length</b>	30 linear meters
<b>Minimum quantity</b>	30 linear meters for standard colors 500 linear meters for customer-specific colors

#### Safety

Lantal artificial leathers are permanently flame-retardant; they comply with UN-ECE-R118.02, FMVSS 302 and DIN 5510-2 fire standards and requirements.

#### Light fastness

Thanks to an optimized dyeing process, Lantal artificial leathers achieve excellent scores and fulfill testing pursuant to ISO 105-B06.

#### Cleaning

Clean occasionally with soapy water and a soft cloth.

#### Service life

Lantal products have particularly long service lives and still look like new even after extended periods of use.

### Ready-made products

On request, Lantal will ship seat covers and antimacassars ready to install and embroidered. The covers or antimacassars are accurately finished by Lantal to precise measurements and shipped in a ready-to-fit condition.

The Lantal ready-made product line also includes precisely pre-cut carpets and curtains for quick and convenient installation.
