- **Available ready-to-install or as yardage**
- **Washable to max. 40°C**
- **Compliance with all relevant railway and bus safety requirements**

Specifications

Composition

Lantal produces three different antimacassar fabrics:

- Jenny 9339 (slightly textured): 100% polyester
- Flat 9341: 100% polyester
- 5039 LS: 100% polyester

Safety and standards

Lantal antimacassar fabrics are permanently flame-retardant and comply with DIN 5510-2, NF F 16-101, UN-ECE-R118.02 as well as FMVSS 302 fire standards and requirements.

Pursuant to EN 45545-2, R22, with an exposed surface area of $\leq 0.20 \text{ m}^2$, they fulfill HL 1-3. This result is based on preliminary tests. The original component must be tested to verify fire behavior pursuant to EN 45545-2.

Colors

The Lantal product line encompasses a selection of 25 predefined colors that readily coordinate with other elements. On request, customer-specific colors can be developed as well.
