

Seat cover fabrics for trains Wool/viscose/polyamide flat weave

Key features

Lantal wool/viscose/polyamide flat woven seat cover fabrics for trains have the following compelling advantages:

- **Climatizing function, dry seat surfaces even during prolonged sitting phases**
- **Excellent seating comfort thanks to superior moisture absorption**
- **Hardwearing and rugged for a very long service life**
- **Superb light fastness for a long-lasting beautiful look**
- **Compliance with all relevant railway safety requirements**

Specifications

Composition

Lantal flat weave consists of 55% wool, 30% viscose, and 15% polyamide.

The fabric is stretchable, making it highly flexible for all seat types.

Typical applications

Seat covers, headrest covers

Safety and standards

Lantal flat weave fabrics made of 55% wool, 30% viscose, and 15% polyamide are permanently flame-retardant; they comply with DIN 5510-2 fire standards and requirements.

Designs and colors

Development of customer-specific colors and designs for a unique signature ambiance.

Abrasion resistance

Lantal flat weaves comply with all relevant wear and abrasion standards.

Moisture absorption

Lantal wool/viscose/polyamide flat weaves regulate moisture and ensure dry seat surfaces even during prolonged sitting phases. The components are complementary and increase seating comfort for the passenger's well-being thanks to high moisture absorption by the wool and rapid moisture dissipation by the man-made fibers.

Light fastness

Lantal flat weave fabrics are highly lightfast thanks to an optimized dyeing process and the use of man-made fibers.

Safety and standards

Lantal flat weave fabrics are permanently flame-retardant; they comply with DIN 5510-2 fire standards and requirements.

Cleaning

Dry cleaning according to Lantal cleaning recommendations.

Service life

Lantal products have particularly long service lives and still look like new even after extended periods of use.

Ready-made products

On request, Lantal will supply cut and sewn seat covers. The covers are accurately finished by Lantal to precise measurements and shipped in a ready-to-fit condition.

Further ready-to-install elements available from Lantal include headrests and carpets.
